Dear Parents / Carers,

This term the children are having lots of opportunities to take their **learning outside**, despite the weather! Children from across the school have been out and about visiting different places as part of their topic, and we have further opportunities planned for after Easter as well. Where possible we always try to post some pictures from any visits on our school website using our Twitter feed, but here are some of the more recent highlights below.

Best Wishes
Mrs D Linacre

Year 5/6 Visited Middlesbrough College's Science labs to look at hearts, as part of their 'Blood Heart' topic.

Children from across the school have been outdoors in the cold weather, cooking on our fire pit.

Year 3 have been out and about as part of their pedestrian training this term.

Nursery are visiting our local library.

KS1 Visited Preston Park Museum as part of their Street Detectives Topic, as well as exploring their own local streets.

Early Years children have been exploring paint in the snow!

A HUGE THANK YOU

To everyone that came and helped staff to clear the snow off the school site! It was really appreciated and made all the difference!
